18 Defendant.

1 Pursuant to Civil Local Rule 6-2, Plaintiff Align Technology, Inc. (“Align” or “Plaintiff”) and

 3 and respectfully request to extend certain discovery and other deadlines, as set forth in the table below:

16  
 17 The parties request an extension of the deadline for fact discovery to August 30th in light of the  
 18 Settlement Conference scheduled for August 14th before Magistrate Judge Illman. The parties also  
 19 agree that certain subsequent deadlines should be accordingly modified, as set forth in the table above,  
 20 without altering the date for trial or trial-related deadlines.

21 Pursuant to Civil L.R 6-2, the parties agree that the only other time modifications in this case  
 22 were: (1) a 30-day extension of time for Strauss Diamond to respond to the complaint; (2) a shortening  
 23 of the time for the hearing date for Align’s then-pending motion for leave to amend the complaint; (3) a  
 24 one-week extension of time for Strauss Diamond to oppose Align’s then-pending motion for  
 25 preliminary injunction; and (4) an extension of the time for Align to file its reply in support of its  
 26 motion for preliminary injunction, and to a corresponding change to the hearing on that motion.

The Declaration of Keeley I. Vega is filed herewith, also pursuant to Rule 6-2. A proposed order is also submitted herewith.
